

*Bologna, 01 August 2016*

**The Maserati Multi70 trimaran manned by Giovanni Soldini and sponsored by UnipolSai will land at Marina di Loano on 6 August.**

**Maserati Multi70**, the trimaran on which skipper Giovanni Soldini and his team will set sail for the new adventure of the 2016-2017 season, will be moored at **Marina di Loano** from 6 August until mid-September.

The trimaran made available by John Elkann and sponsored by **UnipolSai** represents a new phase in the competitive career of Giovanni Soldini, who will face more demanding challenges on board a craft considered the latest frontier in sailing: stretching 21.2 metres in length and 16.8 in the beam, *Maserati Multi70* can rise up off the water on her rudders and foils, drastically reducing the wetted surface area and consequently increasing performance, exceeding a speed of 40 knots.

Marina di Loano, the port facility owned by the **Unipol Group** in western Liguria at a stone's throw from the historic centre of the town and one hour from the Genoa and Nice airports, will act as a stage for the *Maserati Multi70*.

**Marina di Loano** is a modern marina full of opportunities to experience that magic feeling offered by the sea, welcoming guests year-round with its especially mild climate.

The Marina is home to over **900 boats** from 6 to 77 metres in length in an easily accessible basin, well protected from the imposing breakwater and safe in even the most adverse weather conditions. Hospitality, services and the safety of guests and vessels are a priority for the Marina di Loano staff and are guaranteed 24/7.

The **Unipol Group** strongly believes that, if lived with passion, loyalty, fairness and transparency, sport can promote the personal values necessary to grow in society.

**For the Unipol Group, thinking of people's future also means thinking of what they love: sport.**
