TOGETHER WITH UNIPOLSAI ANOTHER KIND OF FOOTBALL IS POSSIBLE

UnipolSai Assicurazioni renews, for the second year, its support of *Un altro calcio è possibile* (Another kind of football is possible), the four-team 11-a-side football tournament between the Armed Forces and a group of seminarians and priests of the Pontifical Colleges and Universities.

Now in its 6th edition, this sports initiative will bring athletes from the Italian Army, the Finance Police, the Air Force and the Top C.U.P. to the field in a football tournament aimed at promoting sport as a school of life and at encouraging the younger generations to respect the rules.

Once again, UnipolSai Assicurazioni focuses particular attention on the future generations in the belief that sport has a paramount educational potential for individual formation. For UnipolSai, sport, if lived with passion that does not forget the ethics of loyalty, fairness and transparency, represents an incredible vehicle for the acquisition of the values that allow individuals to grow from a moral standpoint and to live consciously in society.

For the Unipol Group thinking of people's future also means thinking of what they love: sport.
