UNIPOLSAI ASSICURAZIONI SUPPORTS THE ROME CANDIDATURE FOR THE 2024 OLYMPIC GAMES

UnipolSai Assicurazioni is alongside CONI (Italian National Olympic Committee) with regard to the Italian candidature of Rome for the 2024 Olympic Games to be held after those scheduled in Rio this summer and Tokyo in 2020.

This represents an incredible occasion for the Italian capital, the country and the Italian system to reaffirm the values of sport in which UnipolSai has always believed.

In fact, supporting the 2024 Olympics in Rome means backing sport and reviving the highest values such as loyalty, commitment, sacrifice and passion.

It means strongly considering sport not only as an important vehicle for individual and collective growth, but also as an exceptional opportunity to overcome limits and promote friendship between cultures, in an ideal embrace that can only arise from the magic of competition.

It means being close – once again – to the people, the dreams of the youngest generations and their hopes of participating and winning.

Support for the promotion of the Rome 2024 candidature thus represents an additional sign of the concrete closeness to Italian sport of UnipolSai Assicurazioni, which is already the main sponsor of CONI, FIN and FIDAL and, in the context of its partnership with CONI, it promotes Team Young Italy UnipolSai, the team of young athletes led by Federica Pellegrini, standard-bearers of the excellence and distinctive values of Italian sport throughout the world.

With its Corporate Sponsorship Program, UnipolSai Assicurazioni wishes to always remain close to the people and the community, supporting projects that embrace scientific research, social engagement, the environment, entertainment, art, culture and, of course, sport.

Because for the Unipol Group, thinking of peoples' future also means thinking of what they love: Sport.
