

## UNIPOLSAI OFFICIAL PARTNER OF THE RIMINI MEETING FIVE YEARS RUNNING

Rome, 2 July 2019

**UnipolSai Assicurazioni** will be the Official Partner of the Rimini Meeting for Friendship Among Peoples, to be held in Rimini from 18 to 24 August 2019, for the fifth consecutive year. This year marks the 40th edition of the event, entitled *"Your name was born from what you gazed upon"* for the occasion.

The Meeting is a major international event that has always focused on human knowledge and encounters with different cultures, religions and experiences, which find a place for comparison and sharing during the Rimini days. For this reason, being Official Partner of the Meeting is the continuation of a coherent path for **UnipolSai**, a choice to be closer to the people and pursue social responsibility. What's more, UnipolSai will once again lend its brand to one of the main rooms (Sala Neri), where round tables, conferences and meetings will be held.

Support for the Meeting stems from the knowledge that companies must not only create economic value for shareholders, but also social value for a wide range of stakeholders, from institutions and social organisations to cultural associations and citizens. "Doing business" thus involves a great responsibility and awareness that economic development must accompany and support social and cultural progress in the interest of the community. For UnipolSai Assicurazioni, the relationship between business and culture, between the financial sector and the social, cultural and sports sector, needs to bring people closer and become more profitable for the benefit of future generations, who are the real protagonists of the Meeting.

**Because for UnipolSai, thinking of people's future also means thinking of what they love: culture and a chance to meet.**
